I think it was Aristotle who once said, "Always be open and honest when it comes to boning." No? That was my weird 9th grade health teacher? OK. The point is, sometimes it's awkward to straight up tell someone you're casually sexing your true feelings, so why not get a brutally honest greeting card to do it for you? Etsy shop [Crimson and Clover](#) (run by sex writer [Rachel Khona](#)) provides just the selection you need. Browse some Cosmo favorites below.
