Sex Ed is, sadly, often lacking in the useful tips department. Or rather, scratch that — the whole *condom on the banana, this is what herpes looks like, now let's watch The Breakfast Club and learn about stereotypes* bit was helpful. But you know what I mean. No one ever gave me a proper lesson on useful sex tips. No one wants to be the girl who walks around until she's 19 believing that Cosmo's "How to Blow His Mind in 2,596 Simple Steps" is reading to swear by. (Ahem. Just sayin'.) Here at CollegeCandy, we felt we probably weren't the only ones wishing for some more solid advice.

That's why we've reached out to the country's leading sexperts to get their sex tips exclusively for you!

Enjoy!
